

The Memory of Kamakura,^{*} History and Floral Bliss Walking Tour

6/18

What was your impression of the tour as a whole?

Learn Japanese history, especially the slides.
Thank you.

It was fun. The sights are beautiful and the explanations
added to the trip. There was not a lot of breaks and
resting/sitting areas, so my legs are very sore.

It was great!

I've been to Kamakura twice before, but I haven't
explored as much as in this tour. So, it was very
interesting to me. Besides that, we get the history
explanation from the materials and from the guide, so
we can understand more about the places.

Please leave a message to the Peer Life Coach students,
who guided the tour.

I enjoyed it very much. Thank you.

Thank you for guiding us through Kamakura. It's
nice getting to know you and everyone in our group!
